

Aspects of the Atlantic Flow through the Norwegian Sea

Paper I

Nilsen, J.E.Ø. (2003)

Variability at Ocean Weather Station M in the Norwegian Sea

ICES Marine Science Symposia, **219**
371–374

Paper II

Nilsen, J.E.Ø. and Nilsen, F.

Detecting Frontal Structures in Oceanic Station Time Series

Manuscript

Paper III

Nilsen, J.E.Ø. and Falck, E.

Variations of Mixed Layer Depth and Water Properties in the Norwegian Sea for the Period 1949–1999

Climate Variability in the Nordic Seas, Geophysical Monograph Series, AGU
Submitted

Paper IV

Nilsen, J.E.Ø., Gao, Y., Drange, H., Furevik, T., and Bentsen, M. (2003)

**Simulated North Atlantic–Nordic Seas Water Mass Exchanges
in an Isopycnic Coordinate OGCM**

Geophysical Research Letters, **30**(10)
1536, doi:10.1029/2002GL016597
